Moorecroft Camp

1563 Stewart Road, Nanoose Bay, BC, V9P 9E7

To all Moorecroft Camp Society members:

Those who were paid members in 2007 have voting rights at the Annual General Meeting.

Status of Moorecroft:

Currently there is not much to report about in the ongoing negotiations concerning the Moorecroft property. The Negotiating Committee is quiet while the question of the possibility of the property being held 'in trust' is pondered by both Presbytery and Conference. By the time of the AGM meeting, there will have been another meeting of Presbytery, but it is anticipated that there will be very little action on the Moorecroft front.

The Matching Campaign

The Matching Campaign has been hugely successful. There is currently more than \$20,000 from memberships and donations that will be matched by our generous donor to double that amount! The AGM meeting March 8 is the last day of the Matching Campaign. Come and sign up! Or use the form below. If you have already contributed, our most heartfelt thanks for your generosity.

A request from Marilyn Huffman – she's writing a book about Moorecroft!

Greetings Moorecroft Friends

I am in the process of putting together a book documenting the history of Moorecroft and would like to include some memories and experiences from people who have been there as paid and/or volunteer staff, campers, Camp committee/Board members, clergy, other volunteers, or otherwise been associated with the camp. I would invite you to send me something to include and to pass this information along to anyone else that you think might be interested.

Deadline for submissions is March 15, 2008 and can be e-mailed to me at mphuffman@shaw.ca or mailed to the above address.

Any funds raised over and above costs of publishing the book would go to support the camp.

Thank you for your help

Your Moorecroft friend,
Marilyn Huffman

This web site is dedicated to Moorecroft memories.

From Jane:

“This is the start of the web page. I will do adjustments as I get more information. The email is running as well so people can send me files, information, photos and stories that tell about Moorecroft people, nature and history.”

Jane's email is camp4you@telus.net

Do you have history, stories, photos, information to share with Marilyn and Jane? They will be most pleased to hear from you and to get your stories and pictures. Let's share in documenting our beautiful Moorecroft.
